the demand for training often exceeds the available resources that s when organizations turn to their subject matter experts these employees often have no training experience but they have valuable information to share with their co workers the train the trainer workshop is the helping hand that no new trainer can do without the facilitator s guide gives you the tips tools checklists and guidelines you need to conduct an effective interactive train the trainer program

you'll teach new trainers how to conduct a needs assessment identify their training style design their instructional plan use active training techniques deliver their training evaluate their training and much more

not only is the trainer's role changing but so are the people doing the training line managers coaches and other facilitators are now involved just as much as people with the title of training manager how do you measure the skills and abilities of both the full time and the occasional trainer the answer is trainer assessment which provides a framework for assessing trainer effectiveness along with the tools and techniques that you can use there is a continuous focus on the effectiveness of training in most organizations this book looks at the role and influence of every trainer in that process

the peer to peer p2p training approach involves small groups of people from similar social groupings who are not professional teachers helping each other to learn the p2p approach has great potential for rapidly identifying emerging lessons learned and integrating them into wide reaching army training the present research identified the instructional principles and best practices for p2p from academia industry and the military supporting effective p2p training and incorporated them into a soldier friendly facilitator's guide a formative evaluation was conducted with soldiers using the guide to prepare and conduct group discussions for a face to face group setting and a distributed group setting where soldiers were linked via video teleconference one group of soldiers served as facilitators and used the facilitator's guide to prepare and lead discussions with other soldiers who served as learners feedback on the guide was mostly positive with soldiers indicating that the guide provided an appropriate amount of information and a usable format and tools for structuring and fostering group discussions ongoing efforts to transition p2p methods into army training are discussed

improvements in health cannot be achieved in isolation as they require an integrated multisectorial development approach the who's regional office for the eastern mediterranean has introduced the following community based initiatives basic development needs approach healthy villages programme healthy cities programme women in health and development these community based initiatives have provided a stimulus for health and human development this training manual provides material to help develop trainers update the knowledge of field managers and reinforce leadership and management skills

this book is intended to serve as an introduction to role playing it is directed to people concerned with the development of human relations skills selling interviewing teaching handling grievances counseling supervising etc much of this material is useful in other areas such as community affairs and commercial

enterprises in both of these settings role playing has been used with good results

now in paperback the oxford textbook of communication in oncology and palliative care integrates clinical wisdom with empirical findings written by an international team of authors it draws upon the history of communication science providing the reader with a comprehensive curriculum for applied communication skills training an essential resource the oxford textbook of communication in oncology and palliative care is filled with tips and strategies for effective communication in difficult and challenging scenarios in focusing on cancer and the end of life it deals with the existential and spiritual challenges found across all of medicine providing deep insights into what is at stake and how clinicians might optimally respond this authoritative and wide ranging book provides clinicians with state of the art and evidence based guidelines to achieve effective patient centred communication in the clinical settings of oncology and palliative care this edition includes sections on the curriculum for nurses the core curriculum and an introductory section on communication science the chapters embrace specialty issues across the clinical disciplines from enrolling in clinical trials working in teams and discussing genetic risk to talking about sexuality infertility and intercultural issues an educational perspective is also provided with chapters covering communication skills training how to evaluate courses and international models of training

total diversity training from astd in full day half day or one hour sessions a complete training kit developed by diversity expert tina rasmussen the astd trainer s sourcebook diversity helps you firmly establish diversity s advantages for your company in fast easy flexible sessions it helps you address such diversity basics as stereotyping how we form perception behavior fundamentals managing diversity vs traditional management teams guidelines and communications setting the tone for valuing diversity and much more plus you get everything you need to position diversity for maximum impact and provide effective high interest training background information games and activities facilitator notes instruments training designs assessments participant handouts overheads and flipcharts

100 different games activities and exercises that have been used by some of america s most experienced and innovative trainers in teaching a variety of important business skills
